2015 MSP CONVENTION LETTER OF INVITATION

Sir/Madam:

The Mathematical Society of the Philippines will be holding its 2015 Annual Convention on 18-19 May 2015 at the Plaza del Norte Hotel and Convention Center, Laoag City. The 2015 Convention marks the 42nd year of MSP as the country's largest professional organization dedicated to the promotion of mathematics and mathematics education. The convention is not only our annual gathering of members across the 9 regional MSP chapters in Luzon, Visayas and Mindanao—it is a regular conference with an open call for paper presentations in different areas of mathematics and mathematics education, drawing participants from here and abroad.

We would like to invite your faculty members and students to attend and participate in the convention. Attached to this invitation letter are the announcement and the CHED Endorsement Memo.

Respectfully yours,

Emmanuel A. Cabral, PhD
Chair, 2015 MSP Convention
