The Chair
Department of Mathematics

2016 MSP ANNUAL CONVENTION LETTER OF INVITATION

Sir/Madam:

The Mathematical Society of the Philippines will be holding its 2016 Annual Convention on 30-41 May 2016 at the Bayfront Hotel, Cebu City. The 2016 Convention marks the 43rd year of MSP as the country's largest professional organization dedicated to the promotion of mathematics and mathematics education. The convention is not only our annual gathering of members across the 9 regional MSP chapters in Luzon, Visayas, and Mindanao – it is also a regular conference with an open call for paper presentations in different areas of mathematics and mathematics education, drawing participants from here and abroad.

We would like to invite your faculty members and students to attend and participate in the convention. Attached to this invitation letter are the announcement and the CHED Endorsement Memo.

Respectfully yours,

JOSE MARIA P. BALMACEDA, Ph.D.

President, MSP

Professor, Institute of Mathematics

University of the Philippines
